COTTON'S SUSTAINABLE FUTURE:
INNOVATE TO THRIVE

IN-PERSON | MUMBAI | 11-13 March 2024 | #C24

The in-person two-day AbTF Cotton Conference, with an optional excursion on the third day, will be held in Mumbai, India at the hotel JW Marriott Mumbai Juhu. It will focus on digital solutions for building transparent and sustainable textile supply chains.

Attendees can expect to gain valuable insights through panel discussions, keynote presentations, breakout sessions, and by networking with industry leaders and experts.

Whether you're looking to enhance your knowledge, connect with like-minded stakeholders, or stay up to date on the latest trends and practices in the cotton sector, the AbTF Cotton Conference offers a unique platform for achieving your goals.

EXPECTED ATTENDEES

120 in-person

WHO WILL BE THERE?

CmiA partners, retailers, brands, cotton producers, spinning mills, standards organisations, NGOs, consultancy and digital experts, and other members of the textile production chain.
